This is a list of active contractors who are signatory to a local labor agreement with the Carpenters' District Council of St. Louis & Vicinity. The fact that a contractor does not appear on the list does not necessarily mean that it is not signatory to a contract with the Carpenters' Union; a contractor may, for instance, be working under an international labor contract with the United Brotherhood of Carpenters. While the Carpenters' District Council of St. Louis & Vicinity has made every effort to ensure the completeness and accuracy of the foregoing list, we cannot guarantee that its contents are comprehensive or error-free. We shall not be liable to any contractor, its officers, employees, agents, successors or assigns, for any claims, demands, or causes of action arising from an error or omission associated with any of the listings above, regardless of whether the error or omission is the result of ordinary or gross negligence. Nevertheless, if an error or omission is brought to our attention, we will strive to correct it promptly.
